

PARATRANSIT SERVICE

HART provides paratransit service for persons with disabilities through the Americans with Disabilities Act (ADA) Complementary Paratransit Service, often shortened to Paratransit Service. (ADA Complementary Paratransit Service may also be referred to as Demand Response in some HART documents and on buses.) Paratransit Service provides transportation services to eligible persons who are physically unable to use HART's fixed route system.

Paratransit Service operates throughout the city limits of Henderson, providing one-way or round-trip curb-to-curb service.

The Paratransit Service allows for a personal care attendant (PCA) to travel for free with an eligible rider. In addition, one accompanying companion is permitted, if a seat is available. The accompanying companion is charged the regular fare. Personal care attendants and/or accompanying companions must be picked up and dropped off at the same location as the eligible rider.

REASONABLE ACCOMMODATIONS

Paratransit is a curb-to-curb service. Drivers cannot provide assistance beyond the curb, as the driver cannot leave the bus or other riders unattended due to safety and security concerns. However, HART will honor reasonable accommodations on request. All requests should be made in advance by filling out and submitting a Reasonable Accommodations Request form to HART. For more information or to obtain and submit a Reasonable Accommodations Request form, visit the HART website or call the HART office at (270) 831-1249.

ELIGIBILITY

Persons with a documented disability that prevents the use of the HART Fixed Route Service are eligible to use the Paratransit Service, in accordance with the Americans with Disabilities Act (ADA). An ADA application must be completed and approved before an individual is eligible to use the Paratransit Service.

The ADA Application can be downloaded from the HART website (cityofhendersonky.org/199/Mass-Transit). Click the "Services" tab on the left of the page for a link to the application and more information about Paratransit Service. If you would prefer a copy be mailed to you, call the HART office at (270) 831-1249. Mail completed ADA Applications to:

 HART
P.O. Box 716
Henderson, KY 42419-0716

Visitors and new residents who have been certified as ADA paratransit eligible by a different public agency may use the HART Paratransit Service for a period of up to 21 days based on that eligibility. If an individual wishes to use the HART Paratransit Service after these 21 days, they must complete a HART ADA Application form prior to the end of this period. Forms can be downloaded from the HART website or by calling the HART office at (270) 831-1249.
