Public Information Meeting for S.R. 57 at North Green River Road Intersection Improvement Project in Vanderburgh County

Des. Nos. 2301075, 2400696

INDOT will hold a public information meeting on Wednesday, August 12, 2026, for a proposed intersection improvement project at S.R. 57 and North Green River Road in Vanderburgh County, Indiana. The meeting will provide an opportunity for the public to learn more about the project, talk with project team members, and view project materials.

The need for the project is based on safety concerns at the intersection, including a history of crashes, operational challenges, and the existing skewed intersection geometry. The purpose of the project is to reduce the risk of severe right-angle and left-turn crashes, improve intersection operations, and provide pedestrian connectivity in all four quadrants of the intersection.

What: Public information meeting for intersection improvements at S.R. 57 and North Green River Road.

When: Wednesday, August 12, 2026, at 6:00 p.m. (doors open at 5:30 p.m.)

Where: McCutchanville Elementary School, 10701 Petersburg Road, Evansville, IN 47725 (use Door 4)

Doors will open at 5:30 p.m., giving the public a chance to view project displays and speak with project representatives. A brief presentation will begin at 6:00 p.m., followed by an open house with the opportunity to converse with INDOT and the project team. Comment forms will be available for attendees to provide feedback on the proposed improvements.

The proposed project includes constructing a single-lane roundabout at the intersection of S.R. 57 and North Green River Road, adding sidewalks and ADA-compliant curb ramps, and improving drainage infrastructure. The project will also improve pedestrian access throughout the intersection and connect to existing sidewalks south of the intersection.

Notice of Livestreamed Public Meeting

In accordance with Indiana Code 5-14-1.5-2.9, INDOT offers livestreams of public meetings and hearings. You can access the livestream at the following link starting at 6:00 p.m. on August 12, 2026: <http://bit.ly/4wuvMIn>

Written comments submitted both in person and online during the meeting will be recorded and shared with the project team. Constituents will be unable to submit oral comments via the livestream. A recording of the livestream and presentation will be posted on INDOT's website <https://bit.ly/INDOTSW> within 48 hours after the meeting and will remain available online for up to 90 days.

In accordance with the Americans with Disabilities Act, persons with disabilities requiring assistance and/or accommodation, or persons of limited English proficiency (LEP) requiring accommodation related to accessibility to documents and participation at the public meeting venue, are encouraged to contact INDOT at (855) 463-6848, or INDOT4U.com, at least 72 hours prior to the public meeting for additional assistance.
