Pam Drach made mention that the Evansville MPO processed an emergency amendment that did not make it into the packets. The amendment is to add a project to repair a signal on the Lloyd Expressway at Fielding Road that was hit during an accident.

This item was informational and did not require a committee action.

c. 2022 Safety Target Setting Recommendation – presented by Amir Varshochi

The FAST Act and subsequent federal rulemaking established five performance measures related to safety. The measures are:

- Number of fatalities
- Rate of fatalities per 100 million vehicle miles traveled
- Number of serious injuries
- Rate of serious injuries per 100 million vehicle miles traveled
- Number of non-motorized fatalities and serious injuries

Federal regulations require state DOTs to establish and report annual targets to each of these five performance measures by August 31st of each year. MPOs are required to either adopt and support their DOT’s statewide targets or set their own targets specific to their areas within 180 days of that date. At this time, the EMPO is recommending the adoption and support of the statewide targets for both INDOT and KYTC.

2022 Safety Targets	INDOT	KYTC
Number of Fatalities	876.0	752.0
Number of Serious Injuries	2998.2	2568.0
Fatality Rate (per 100M VMT)	1.076	1.535
Serious Injury Rate (per 100M VMT)	3.675	5.241
Number Non-Motorized Fatalities and Serious Injuries	344.5	299.0

Nate Hahn made a motion for approval and Mychelle Christian seconded the motion; motion carried.

d. Evansville-Henderson Regional Transportation Guide Update – presented by Amir Varshochi

The *Evansville-Henderson Regional Transportation Guide* was developed with help from the Regional Transit Advisory Committee (RTAC) in 2019. Since then, many of the transportation providers included have changed how they operate, some no longer exist, and some new providers have begun providing service. The MPO has spend the last three RTAC meetings working with committee members to update the guide.

The updated *Evansville-Henderson Regional Transportation Guide* is available as a printable PDF and as a website formatted to be easily viewable on mobile devices. The website can be found at evansvillempo.com/guide.html. From there, you can download the PDF version on the top of the page. Links to both the PDF and website are also located on the MPO website (evansvillempo.com) on the right side of the page.

RTAC members have been asked to help share this information with their clients and the general public. We ask that you please share this information as well.

This item was informational and did not require a committee action.

4. OTHER BUSINESS

None.

5. PUBLIC COMMENTS

Bernadette Dupont announced that she will be contacting all MPOs and Federal Land Management Agencies regarding Federal Highway's new initiative called Enterprise Activities. There are six of them total with two incorporating planning. She will be reaching out the MPOs about Integrated Planning. They are interested in activities that will implement the 3C approach and the planning process between the Federal Land Management Agencies, the states, the locals, and the MPOs. She will be sending out a survey and will hold interviews in the future.

6. UPCOMING DATES

- CY 2022 EMPO Technical Meetings:
 - January 13
 - March 10
 - May 12
 - July 14
 - September 8
 - November 10
- Kentucky's Long-Range Transportation Vision – survey open Oct. 22 -Dec. 6 (www.GetThereTogetherKY.org)

Meeting adjourned.

Dear Mr. Mitchell and Mr. Witt:

The Evansville Metropolitan Planning Organization has processed the following administrative modification to the FY 2022-2026 Transportation Improvement Program (TIP).

TIP Administrative Modification:

ID# 02-711 KY 2084 intersection with KY 812: Add dedicated right and left turn lanes and signal updates. Revise FY 2022 Construction (CN) from \$950,000 to \$1,360,000 to be funded using 80% Federal SHN Funds and a 20% State match.

The modification will be presented as an informational item at the January 13, 2022 Evansville MPO Policy Committee meeting. Thank you for your assistance and should you have any questions or require additional information, please call me at (812) 436-7833.

Sincerely,

Seyed Shokouhzadeh
Executive Director
